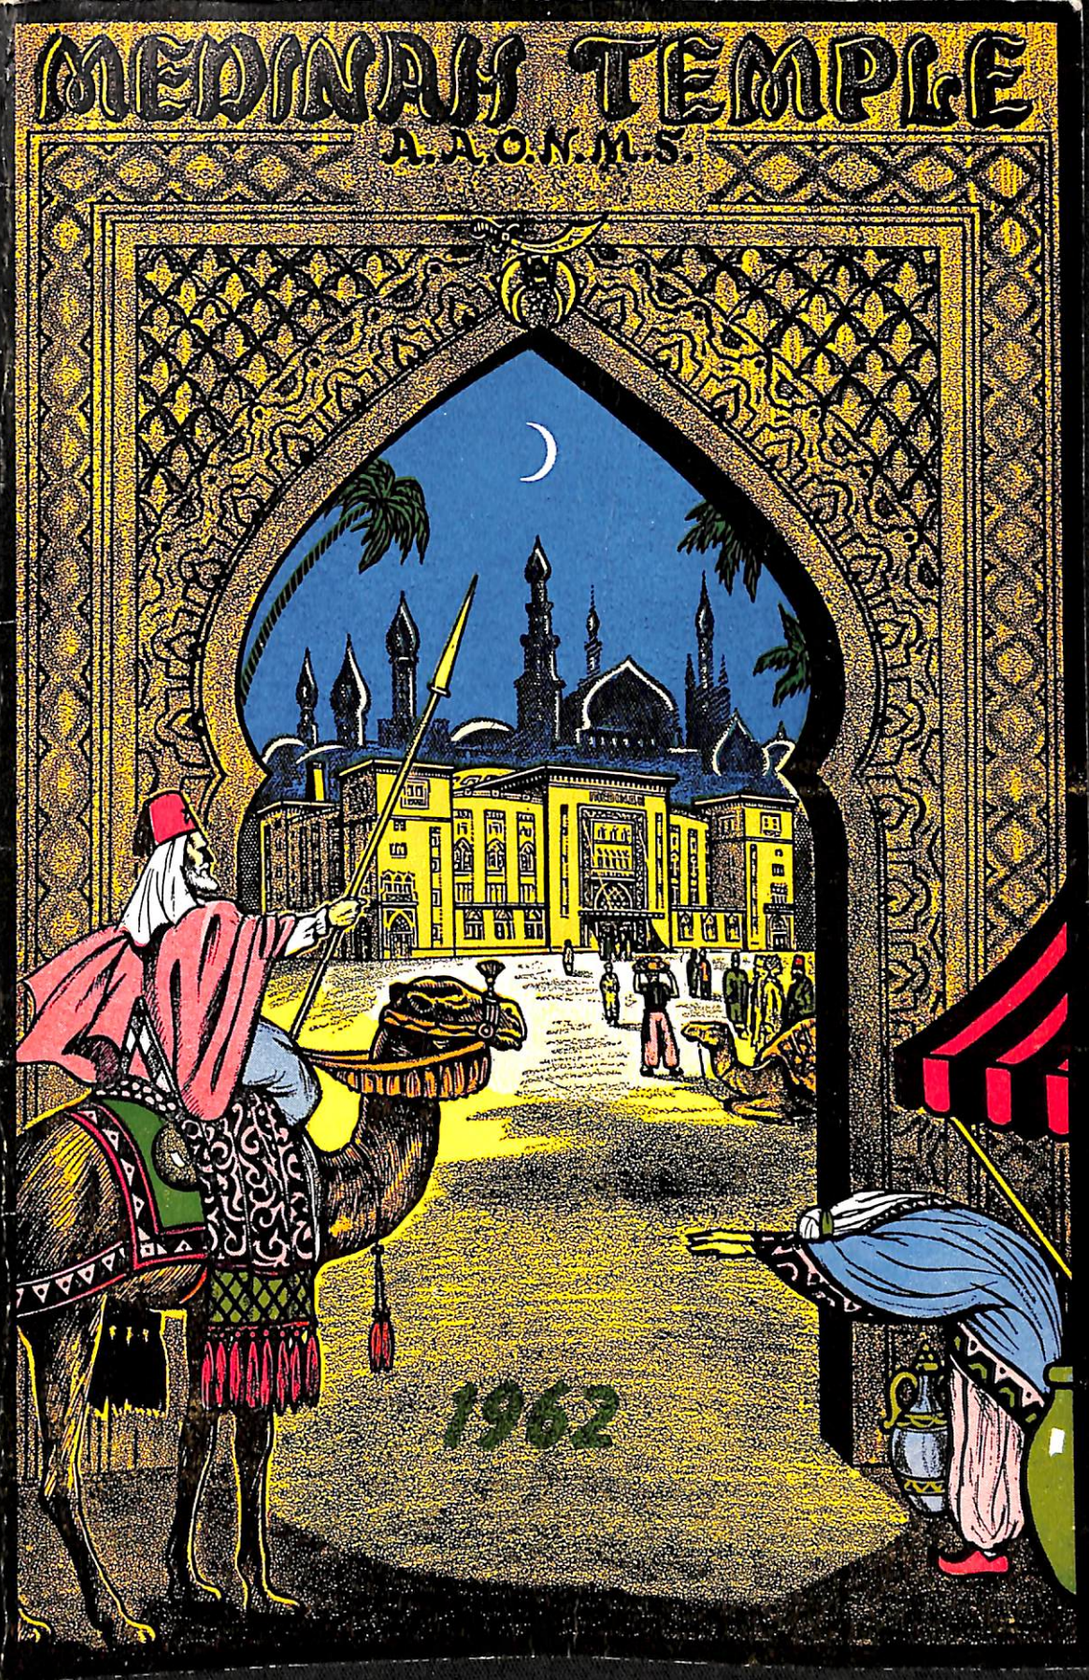
MEDINAH TEMPLE

A.A.O.N.M.S.



PRAYER:

During the offering of a prayer, the Fez should be removed and held in the right hand over the heart.

SALUTE:

The Military Salute is used when reciting the Pledge of Allegiance and during the playing or singing of the National Anthem.

Do not remove the Fez.

The Shriner's Pledge

"I pledge allegiance to my Flag and to the country for which it stands, one Nation under God, indivisible, with Liberty and Justice for all."

WILLIAM TRUBECK
Illustrious Potentate

TO THE NOBILITY OF MEDINAH TEMPLE:

Es Selamu Aleikum

While serving as your Potentate for the past three months, I have enjoyed the splendid opportunity to observe the most outstanding degree of zeal, enthusiasm, determination and teamwork demonstrated by our Nobility in the direction of continued progress for Mighty Medinah and for the welfare of our greatest of fraternities.

The past history of our Temple contains pages of wondrous achievement, pilgrimages and other glorious events, primarily because of the willingness of our members who unhesitatingly contributed their time, effort and untold talents, in order to perpetuate the tenets of Freemasonry, along with the fun, fellowship and philanthropy which is known as the Mystic Shrine. These traditions must be projected into the future for the benefit of our sons, their sons and the general welfare of all mankind the world over.

The pages of this Year Book contain the pictures and names of many who have in the past, and still are today, serving and striving to make ours the largest temple in membership in North America.

Should each of us direct our attention to building a greater Shrine for a greater tomorrow, our primary object is then to extend the "SUNSHINE OF THE SHRINE" to many more eligible men. Also, if we, each and every one of us, accept the challenge to match our past, to match the enthusiasm which made for us a great Temple, we then can be FIRST place by the time our present Imperial Ceremonial Master and Illustrious Potentate of 1956, Thomas F. Seay, becomes the Number One Shriner. It is calculated that Noble Tom will be the Imperial Potentate in 1969; therefore, let's start NOW and GROW!

With the able assistance of your most capable Divan of Officers, the wise counseling of the Illustrious Past Potentates, the continued enthusiastic support by our renowned units and committees and the full cooperation of our Shrine Clubs as well as ALL of the help of ALL of the Nobility, Mighty Medinah is destined to prosper now and forever; therefore, with a humble and appreciative heart, may I extend my sincere thanks, and at the same time proudly proclaim that I'm glad to be a Shriner, especially in Medinah Temple.

May the blessings of Allah reward you and yours and with respectful devotion to all,

William Trubeck
